

New Training Video: Requesting COVID Supplies ^[1]

July 2, 2020 by [normandy.rodén](#) ^[2]

We have a new training video and website to help you learn a new process in CU Marketplace: [Requesting COVID Supplies](#) ^[3].

You'll use the new process if you need:

- Bouffant Caps
- Disinfectant Spray Bottles/Refills
- Face Shields
- Gloves (basic use only)
- Hand Sanitizer (small bottles)
- Safety Glasses
- Shoe Covers

In response to the coronavirus pandemic, the Procurement Service Center and the campuses have developed a new centralized approach to purchasing COVID supplies – certain hard-to-find Personal Protective Equipment (PPE) and disinfecting supplies. Under the new approach, [campuses are purchasing some supplies in bulk](#) ^[4] that your department can request if needed, and other supplies will be available to purchase through a new [COVID Supplies section](#) ^[3] in CU Marketplace.

Find out information, how-to instructions, and contacts for your questions at www.cu.edu/psc/cu-marketplace-how-requesting-covid-supplies ^[3].
