October Payroll Encumbrances - Still Overstated [1]

October 27, 2016 by normandy.roden [2]

We are still seeing issues with October payroll encumbrances.

What's the issue?

Earlier this month, we alerted you to some over-encumbrances on October payroll [3].

When will it be fixed?

The HCM team is working to correct. We expect an update early next week.

We'll let you know as soon as it's in place.
