OUC Supports Take Your Child to Work Day [1]

April 29, 2014 by normandy.roden [2]

On April 25, the children of OUC staff members teamed up with other CU System kids to take part in Take Our Daughters and Sons to Work Day. The Grant Street offices have collaborated in this event for the past several years – and the national event just celebrated its 20th anniversary. The day began with a continental breakfast and a visit from the Financial Super Heroes. Subsequent events continued the theme of “Money Matters” and were designed to be both fun and educational for participants in all grade levels. Thanks to Heather Hoyer, OUC’s Procurement Training Specialist & Forms Developer, who joined several other System staff to plan and present the day’s activities.
