Our (System) Org Chart has Changed [1]

September 4, 2012 by (not verified) [2]

Congratulations to our new Vice President & Chief Financial Officer, Todd Saliman, and to our new Associate Vice President & Chief Business Officer, Geoff Barsch. We'll miss former VP Kelly Fox, who is now Senior Vice Chancellor for Budget & Finance and Chief Financial Officer for the Boulder Campus … but we're excited to be working with Todd and Geoff.
