Participate! (in an OUC Town Hall Session) [1]

September 13, 2013 by normandy.roden [2]

Please plan to join us when we visit your campus, Oct 7-11, for our annual OUC Town Halls. The Town Hall sessions are short, but full of information … on Continuing Professional Education opportunities, Cognos Reporting System developments, new FinPro Help Desk tools, and more. This is your chance to hear about what we've done lately – and to provide feedback on future directions. We promise a thoughtful exchange of ideas – and a few surprises!
