

Participate! (in an OUC Town Hall Session) ^[1]

September 13, 2013 by [normandy.rodén](#) ^[2]

Please plan to join us when we visit your campus, Oct 7-11, for our annual OUC Town Halls. The Town Hall sessions are short, but full of information ... on Continuing Professional Education opportunities, Cognos Reporting System developments, new FinPro Help Desk tools, and more. This is your chance to hear about what we've done lately – and to provide feedback on future directions. We promise a thoughtful exchange of ideas – and a few surprises!
