January 16, 2014 by [normandy.roden](#) ^[2]

The Office of University Controller (OUC) is very pleased to introduce and welcome its new section of Payroll/Benefit & Trust Accounting. The eight-member team relocated from Employee Services to the OUC on January 2, 2014. The unit includes: Judith Harlan (Trust Accountant), Matt LeDoux (Benefits Accountant); Jan Lund (Retirement Accountant); Ritu Martinez (Accounting Professional); Demetria Ross (General Accountant); Yuko Stossel (Trust Accountant); and, Peggy Watson (Manager-Payroll/Benefit & Trust Accounting). Heading up the team is the University's Director of Tax, Gail Blandford, who will be retiring from CU this year. A search is underway for Gail's successor. We are happy to have these outstanding individuals join the OUC team. Welcome!
