

## **Share the News** <sup>[1]</sup>

June 21, 2012 by [\(not verified\)](#) <sup>[2]</sup>

Know someone who needs to stay up to date on financial matters ... forms, procedures, policies, and other news? Tell them about the OUC Newsletter! You get it – and the PSC Communicator – and the PBS Bulletin – when you sign up for the University's User Alerts. The subscription process has recently changed: to get on board, email [help@cu.edu](mailto:help@cu.edu) <sup>[3]</sup> and ask to be added to the User Alert list. Or, if you prefer, enter a SupportWorks ticket (identify Desktop Support, Email as the categories). You'll be signed up that very day!
