April 22, 2021 by normandy.roden [2]

The Office of University Controller (OUC) is pleased to present two webinars yet this month -- one to help you hone your professional presentation skills, and one to help you refine your management abilities.

Our brand-new Continuing Professional Education (CPE) webinars offer pathways for growth in communications, project work, and leadership. These sessions provide free CPE for Certified Public Accountants (CPAs) and free professional development for non-CPAs.

Topics include:

- **Presenter Certification Program: Content & Delivery** - Tuesday, April 27, 2021
  The first in our 4-part Presenter Certification Program!
- **Managing Remote Work: Lessons Learned and Future Challenges** - Wednesday, April 28, 2021
- Course details and registrations are available on the OUC website [3]. *Important:* Register using your CU-affiliated email address -- not your personal email -- to avoid incurring a charge.

  Questions? Contact CU.CPE@cu.edu [4].

  We look forward to seeing you soon.
