Town Halls Wrap Up with AMC [1]

November 9, 2012 by (not verified) [2]

Feedback continues to be very positive for the OUC Town Hall events this fall. To date, we've had excellent questions and suggestions from approximately 300 participants at four locales: Downtown Denver, Colorado Springs, Boulder, and Grant St (System). The short (up to 90-minute) sessions review recent OUC accomplishments and initiatives, anticipate the PeopleSoft Finance System upgrade, highlight user involvement in Cognos m-Fin report development, run through the redesigned OUC website, and demonstrate the new FinPro Help Desk Chat option. There's also time for audience questions and small-group discussions. The last Town Hall is scheduled for Fri, Nov 16 (10-11:30 a.m.) at the Anschutz Medical Campus. Register for the AMC Town Hall [3].
