

Travis Chillemi Honored with Service Excellence Award ^[1]

April 12, 2013 by [normandy.roden](#) ^[2]

We are delighted to announce that the 2013 Service Excellence Award for CU System was recently presented to Travis Chillemi, the OUC's Strategic Communication Technology Manager. Sponsored by University of Colorado Staff Council (UCSC), the prestigious award recognizes individuals who have provided outstanding service to their home campus; to community, civic, and professional organizations; and to the University as a whole. CU President Bruce Benson presented the award. Among other citations, Travis was commended for excellence in web/technology development and for his contributions to the new Content Management System (CMS). Also noted were his ongoing commitments to enhancing team operations at the OUC and his volunteer work for local non-profit associations. Congratulations to Travis on this well-deserved recognition!
