UCCS Hosts 1st OUC Town Hall of 2013 [1]

October 9, 2013 by normandy.roden [2]

Office of University Controller (OUC) staff launched the first Town Hall of 2013 on the Colorado Springs campus on Mon, Oct 7. Assistant Vice President/University Controller Bob Kuehler reviewed Fiscal Certification feedback, commended the campus for their participation in the FY 2013 CU Shared Practices (CUSP) Program, and outlined OUC highlights of the past year. OUC staff members discussed updates and plans on topics ranging from Cognos and PeopleSoft Finance to technology and Continuing Professional Education (CPE). During audience interaction, one attendee said she found it confusing to figure out what training was needed for various functions (Marketplace Shopper, Journal Approver, etc.). The good news: we recently developed a comprehensive list of Access & Training Requirements. It's on the OUC website at www.cu.edu/controller/traininghelp/QRG%20Access%20&%20Training%20Requirements.pdf [3]. Participant feedback to the OUC Town Hall was very positive: "Interesting and fun!" and "Keep up the good work!" Thanks to UCCS for hosting us. We continue to present OUC Town Hall sessions on the other campuses throughout the week of Oct 7-11.
