March 22, 2015 by normandy.roden [2]

We've adjusted our Continuing Professional Education (CPE) Program this year, based on your feedback. We're offering many more sessions of CPE on your campus!

So: What's coming up for the campuses this spring? Three days, on three campuses, of relevant, interesting, and FREE professional development, courtesy of the Office of University Controller (OUC) and your campus controller's (finance) office.

Each day of training has been specifically designed with your campus in mind. However, keep in mind that you can register for a course at any campus.

On Thurs, March 26, the Anschutz Medical Campus is the setting for courses on the FIN Upgrade ... and on personal development:
