July 21, 2026 by [Staff](#) ^[2]

The University of Colorado has an agreement and process through CDW for staff and students who would like to make personal purchases**. Students, faculty, and staff of the University of Colorado can make personal purchases of Apple products at a discounted rate, through CDW-G. To make a purchase, navigate to CDWG.com/custudents ^[3], which is a dedicated site for affiliates of CU and the discounted pricing has been applied to all items. From this site, CU affiliates can make their purchases directly with personal funds and have items shipped directly to the address of their choice. Additionally, orders can be placed by calling CDW-G directly at 866.465.9917.

In addition to getting the same Apple products at a discount, affiliates can also take pride knowing that purchasing through this program will increase the buying power and potentially improve the discounts CU receives on future purchases.

** iPhones are not included on the Apple Education Price List
