Coming fall 2024: Amazon Business for CU through CU Marketplace [1]

July 15, 2024 by Staff [2]

Amazon Business will soon have a punchout catalog in Marketplace for purchasing. Orders processed through the punchout catalog will be processed through our normal Accounts Payable channels, eliminating the need for reconciliations or reimbursements in Concur.

CU is excited to launch this new purchasing program. Shopping on Amazon Business through CU Marketplace is as user-friendly as Amazon.com and includes features tailored for our organization. The program will simplify the purchasing process and reduce the administrative burden experienced when procuring needed supplies, all while helping us maintain sales tax and purchasing compliance. We will be able to accomplish these goals while allowing the CU System to take advantage of the wide selection and competitive prices on the Amazon marketplace.

Additional benefits include:

- Free Same-Day, One-Day and 2-Day shipping on Prime-eligible items.
- Get Quantity Discounts on top-brands and top-selling products.
- Create custom shopping lists for frequently purchased items.
- Ability to support small, diverse, local, and sustainable businesses with certifications.
- Access to a specialized Amazon Business Customer Service team
