[1]

May 26, 2023 by [Staff](#) [2]

An issue has been identified where users are intermittently experiencing an error message when booking airfare through Concur. **If you experience an error message while booking airfare for yourself or for others as a Travel Arranger please do not try again to book the travel, as that would result in a duplicate booking.**

If you encounter an error message while booking, please reach out to Christopherson Business Travel at 303.694.8744 (additional contact information here: [Christopherson Business Travel](#) [3]).
