

Departmental Scorecard Dashboard Arriving in January ^[1]

November 7, 2025 by [Staff](#) ^[2]

The Procurement Service Center is launching a new Departmental Scorecard Dashboard to deliver clear, data-driven insights into your department's procurement and expense activity, right in your inbox.

In January, subscribers will receive the dashboard by email, featuring snapshots of invoices, purchase orders, procurement cards, and travel spending to help track trends and identify opportunities for improvement.

Data will reflect the current fiscal year to date (through the end of the previous month), with select visuals showing year-over-year comparisons (e.g., FY25 vs. FY26).

To be added to your department's email distribution list, please contact PSCBusinessIntelligence@cu.edu ^[3] with your **name**, **employee ID**, and the **Org node** you need access to.
