Furniture Contract Award Update [1]

November 13, 2026 by Staff [2]

After an extensive multi-month evaluation process, the Intercampus Evaluation Committee has officially selected suppliers in response to **RFP F-80 for Office, Classroom, and Lounge Furniture**.

The committee awarded contracts to:

- **Canter and Associates LLC**
- **Workplace Resource**
- **Interior Environments**
- **BC Interiors**
- **Slate**

These suppliers were chosen based on their strong combination of competitive pricing, customer service, product quality, and warranty programs. In addition, each awarded supplier demonstrated added value through expanded manufacturer offerings, particularly within the **economical furniture category**, providing more budget-friendly options for campus departments.

Campus customers will continue to enjoy streamlined purchasing through the suppliers' existing punchout catalogs, offering convenient access to a broader range of furniture solutions.

Contract negotiations are currently in their final stages, with a planned program launch date of **January 1, 2027**.

Stay tuned in January, where we will share additional details about the contracts, supplier offerings, and what departments can expect during the transition.
