### How to Buy Furniture: New Furniture Catalog

The University now has six approved furniture suppliers under contract. Departments can purchase furniture from approved suppliers – in any dollar amount – without a bid or separate contract.

To purchase from the following new suppliers – Interior Environments, OfficeScapes, or Workplace Resource – please continue to use the non-catalog form in CU Marketplace (for the time being, until their catalogs are available).

Canter now has its punch-out catalog available in the Marketplace. Please use their catalog to purchase from them: we've developed a [user guide](#) <sup>[3]</sup> for your reference. Departments are able to buy individual furniture items, or request a quote for a large project, through the Canter catalog.

For purchases from CCI and BC Interiors, please continue to use their catalogs in [Marketplace](#) <sup>[4]</sup>.

For more information on the new furniture suppliers and their offerings, please visit the [How to Buy Furniture](#) <sup>[5]</sup> website.
