Marketplace News: New Maintenance Release for Monday, July 18th

July 14, 2022 by Staff [2]

Timeline:

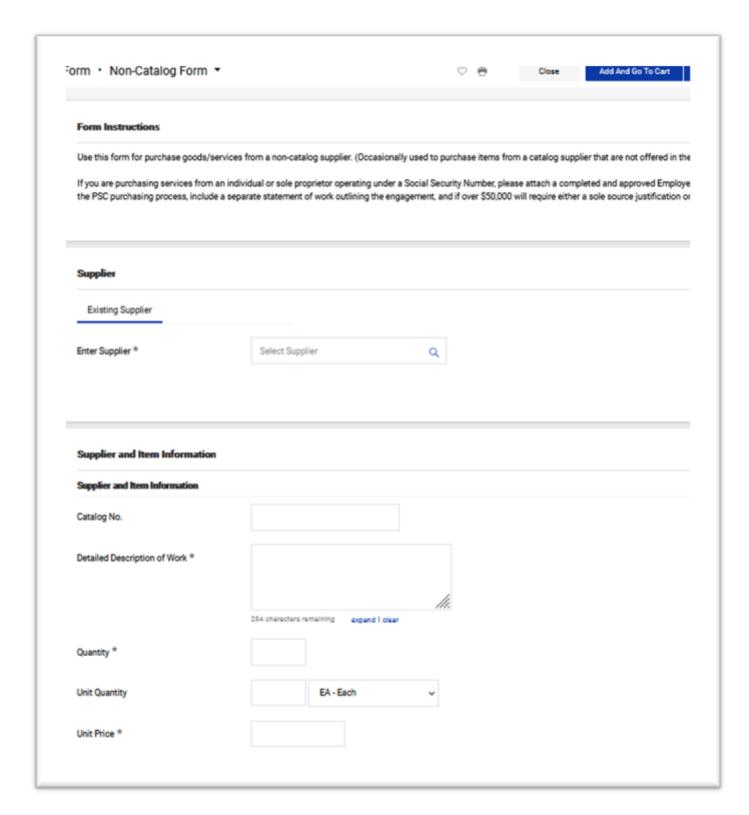

Marketplace will be unavailable this weekend starting Friday, July 15 at 7 PM.

Notable change:

IE is no longer supported. Starting with this release Internet Explorer will no longer be supported in CU Marketplace.

Update to User Interface for forms:

There will be a slightly different look to the forms, like the Non-Catalog and SPO forms. The functionality will remain unchanged, but the look is more consistent with the user interface of Marketplace. The form will also open seamlessly in the application instead of opening a new window.
