# New Minimum Order Threshold Update: CU & Staples Partner to Consolidate Small Orders [1]

June 15, 2022 by Staff [2]

The University has agreed to partner with Staples to minimize delivery volume to campuses in order to reduce environmental impacts by implementing a $15 minimum order threshold. Fewer shipments conserve fuel and cardboard  boxes.

If University customers must submit an order for less than $15, a $5.99 fee will be added to the order to account for the small dollar delivery.

Help save the environment by consolidating small orders and reducing the number of deliveries made to your location.
