

New Purchasing Pathway for Promega Products ^[1]

July 23, 2025 by [Staff](#) ^[2]

The Procurement Service Center is excited to share a recent update that improves how we purchase Promega products across the CU system.

Select Promega items are now available through **Fisher Scientific**, offering both operational and customer-facing benefits.

Why This Benefits Our Customers:

1. **Free Shipping:** Fisher covers shipping costs—even for Promega products—resulting in no freight charges for our customers.
2. **Simplified Ordering:** By consolidating orders through Fisher, customers can streamline purchasing and reduce the time and effort required to source multiple suppliers.
