Personal Protective Equipment/COVID Supply [1]

June 13, 2023 by Staff [2]

The previous protocols set in place and utilized for requesting PPE and COVID-19 supplies during the pandemic have been disabled as the demand for PPE has decreased.

Going forward, please resume historical ordering practices of placing purchase orders for PPE with Fisher Scientific through the M@rketplace punch out catalog.

If you have any questions contact the service desk at psc@cu.edu [3].
