Redesigned Procurement Pages Coming October 17th [1]

October 14, 2024 by Staff [2]

We're excited to announce that the Procurement [3] webpages will be updated to align with the recently revamped Travel and Get Help pages. We invite you to explore the new layout and get familiar with the improvements. The content has been updated and improved, and it will be organized in a more intuitive, user-friendly way.

If you have bookmarked some of the existing web pages, please be aware that they may redirect to new locations.

Available Now: As part of this project, the knowledge base now hosts how-to-buy articles on all the commodities. Please see the listings here PSC Knowledge Base How-to-Buy [4], or use the search to find your specific commodity.
