The university has an established commercial vehicle rental agreement with Enterprise at a negotiated rate that includes insurance coverage. Whether you're planning a university event or moving large equipment, PSC Travel has got you covered with a convenient and cost-effective solution for your commercial vehicle rental needs. No need for contract negotiations, additional charges for insurance, or other variables – we've streamlined the process so you can focus on what matters most!

How to Make a Reservation

Making a reservation is easy and can be done in one of two ways:

1. Online Reservation:

- Visit www.enterprisetrucks.com [3].
- Enter the appropriate discount code for the CU agreement, which can be found in Concur Travel under the rental car tab.
- Complete your reservation in just a few clicks!

2. Phone Reservation:

- Call Enterprise at **855.266.9289**.
- Mention that you're using the CU discount code, which is also located in Concur Travel under the rental car tab.
- An Enterprise representative will assist you in securing the best vehicle for your needs.

Important Notes

Commercial vehicles **cannot** be reserved through Concur. Reservations must be made directly with Enterprise either online or by phone.

Commercial vehicle rental **cannot** be used to provide employee moving/relocation services. For these services, refer to the [PSC's How to Buy Moving Services](#) [4] and [Moving Expense Procedures and Resources](#) [5].
