Updated Skillsoft Percipio Course Requirement for CU Marketplace Access and Commercial Card Applications [1]

September 23, 2024 by Staff [2]

A required course to gain access to CU Marketplace and all CU commercial card requests in Skillsoft Percipio has been updated. CU: Procurement Fundamentals [3] will replace CU: Procurement – Purchasing and Contract Management beginning Monday, 9/23/24, when the old course will be retired. If you have already completed the CU: Procurement – Purchasing and Contract Management course, it will still be accepted to gain access to CU Marketplace or to obtain a CU commercial card.

Please update any campus or department training materials to reflect the CU: Procurement Fundamentals [3] course requirement.
