Cvent | Customer Success Community & Cvent Connect [1]

May 10, 2017 by Kate O'Connell [2]

In addition to their stellar Help & Support resource, Cvent also offers users online forums where they can connect and network with other Cvent users. These success groups are a good way to learn more about Cvent. The upcoming Cvent Connect conference is also a great place for connecting, networking, and learning. Look into registration details today!
