SET Update: Marketing Cloud Maintenance

On Friday, August 25 - between 7am and 8am the IT Enterprise office will perform maintenance on the Salesforce and Marketing Cloud instances. This maintenance is to reconfigure the connector between the two platforms.

Please do not attempt to utilize Marketing Cloud for email communication sends during this window, as you might see inconsistent or reduced functionality within the system. Any scheduled sends for this time period will not be impacted by this downtime.

Please reach out to Kate [3] if you have any questions.
