TaskRay | Live Webinar and New Feature Overview [1]

May 24, 2017 by Kate O'Connell [2]

At the May user group meeting, TaskRay was rolled out as the SET project management tool. This Salesforce app is both user-friendly and a great way to communicate with Kate. If you're interested in learning more about the functionality of TaskRay, register for their upcoming webinar and view the notes from their 2017 new feature release.

Register for the Live Webinar:

| June 7th TaskRay Overview [3]

Highlights include:

- Overview of TaskRay
- Functionality demonstration
- Tips for managing workflow

New Feature Overview:

[4]_| M [5]arch 2017 Release Video [5]

Highlights include:

- Files tab
- Projects and task docking
- Calendar view enhancements

Questions? Send Kate an email [6].
