TaskRay | Success Community and CU Interview [1]

August 23, 2017 by Kate O'Connell [2]

The SET team has been utilizing TaskRay for a couple of months now. This tool, having robust functionality and user-friendly design, also provides additional resources for user success. In addition to FAQ documentation, TaskRay has a user success community. Beyond that, CU was recently interviewed by TaskRay to talk about how TaskRay has bolstered operations within Salesforce at CU.

TaskRay Community:

| Cusomer Success Community [3]

To join the success group:

- Log into Salesforce and navigate to this link [3]
- Select "Join" at the top right of the page
- Review posts and jump into the community dialogue

Agile Dev:

| Interview with Kyle Kirves [4]

Interview overview:

- Kyle is the Program & Projects Manager, CRM, CU Boulder
- Feature focus
- How TaskRay has improved our operations
