Colfax Marathon 2021 [1]

August 25, 2021 by Employee Services [2]

What's better than running 26.2 miles through the Mile High City? Sharing the miles with co-workers! Get a team of five employees to run Denver's only 26.2 mile Marathon Relay – and Colorado's largest Corporate Race.

This year, the University of Colorado is sponsoring the Colfax Marathon Relay! This means that the University of Colorado has five relay team slots available. Each relay team has five people who run a leg of the race – check out the distance and area of each leg to see which one you want to run. [3]

Take on the challenge of competing against your coworkers in this fun event! Staff Council will be giving out swag to each team, but this event also includes plenty of swag, food trucks, beverages, and more once the race is over. It's a great way to bond with your coworkers from 1800 Grant.

Email ssc-health-wellness@cu.edu [4] if you are interested in competing as an individual, or if you have a team. There are 25 total available places, and registration will be handled on a first-come, first-served, basis.

When: Saturday, October 16th

Where: Each leg will start at different locations (see map and overview [3]), but the post-event celebration is located at Denver City Park. [5]
