Don't wait, vaccinate [1]

July 28, 2021 by Employee Services [2]

System Staff Council is looking forward to seeing many of you back in the office! The University of Colorado, in cadence with other state higher education institutions, is requiring all faculty, staff and students to be fully vaccinated against COVID-19. 1800 Grant will require all employees working on-site to be fully vaccinated by Sept. 7, unless you have applied for and receive an approved exemption. Those who are fully vaccinated are no longer required to wear a mask and social distance while at 1800 Grant. See the full statement from CU leadership here [3].

To report your vaccination status or apply for an exemption:

1. Visit my.cu.edu [4].
2. From the drop-down menu, click **Forms**.
3. Click the **Collaborative HR Services** tile.
4. Click the **Vaccination Reporting** tile. This tile will only be available in System employees' portals.

Still need to get vaccinated? CU campuses are offering free doses!

CU Boulder

Drop-in clinics [5] for staff are available at the Wardenburg Health Center.

CU Denver

Schedule a vaccine [6] on the Auraria Campus, only a few minutes away from 1800 Grant.

CU Anschutz

UCHealth and Children's Hospital Colorado continue to offer vaccine appointments [7] for you and your loved ones.

UCCS

Vaccine clinics [8] are held daily around El Paso County for Colorado residents.

For any vaccine questions you may have, the Colorado Department of Public Health & Environment provides a 24/7 toll-free hotline. Call 1-877-COVAXCO and speak with a vaccine expert.

SSC [9], vaccination [10], 1800 Grant [11]
