

Check one-wo, can you hear me now? ^[1]

May 7, 2020 by [UIS Communications](#) ^[2]

It's frustrating – and often embarrassing – when you join a Zoom meeting only to discover the people on the other end can't hear you. Avoid the frustration next time around by using Zoom's guide to [testing computer or device audio](#) ^[3].

Want to test it out before joining a meeting or familiarize yourself with meeting controls? You can check your audio, video and internet connection by joining a [Zoom test meeting](#) ^[4].
