

Cybersecurity Awareness Month: Week 1 ^[1]

September 30, 2021 by [UIS Communications](#) ^[2]

The first week of Cybersecurity Awareness Month (Oct. 4-8) will teach users the basics on how to keep information safe, creating strong passwords, and updating software.

Part of being cybersmart is understanding all the terms referring to cyberattacks. Learn these terms and increase your knowledge on [cybersecurity](#) ^[3].
