Expert advice webinars on reducing cyber risks [1]

October 10, 2023 by ES and UIS Communications [2]

Each member of the CU community has a role to play in preventing cyber threats and mitigating the risks of phishing. Join the campus live webinar with industry experts and learn more about staying safe amidst cyber threats.

Cautionary Tales in Cyber

Join UCCS as five expert panelists lay out cybersecurity best practices and describe real-world scenarios that reveal the importance of preventative measures and vigilance against cyber threats.

The webinar is from **5 p.m. to 6 p.m. Monday, Oct. 16** and registration is required to attend. The Zoom link will be emailed to you after registration.

Register for the Oct. 16 webinar here [3] and contact cyber@uccs.edu [4] with any questions.

Intersection Insecurity: The Collision of Research Grants, Data Protection Laws, and Information Security at CU Boulder

CU is at the forefront of academic research and with the rise of stringent cybersecurity regulations and grant requirements, maintaining compliance is crucial. Join CU Boulder's panelists to hear about upcoming security requirements and available resources for researchers in securing vital data in the modern cyber environment.

The webinar is from **1 p.m. to 2 p.m. Tuesday, Oct. 17** and registration is required to attend. The Zoom link will be emailed to you after registration.

Register for the Oct. 17 webinar here. [5]

Cybersecurity Roundtable: Phishing, Traveling, and Protecting Your Data Everywhere In Between

Join CU Anschutz and CU Denver as they host a panel discussion on top cyber threats, the contemporary cybersecurity climate of the University of Colorado, targeted phishing attempts and staying secure when traveling for work. Attendees are invited to ask questions of the CU security panelists.

The webinar is from **noon to 1 p.m. Thursday, Oct. 19** and registration is required to attend. The Zoom link will be emailed to you after registration.

Join the Oct. 19 webinar here. [6]
