

Information Security Awareness course now available in 5 languages ^[1]

March 14, 2025 by [ES and UIS Communications](#) ^[2]

The University of Colorado's Information Security Awareness online course is now available in five languages: English, Spanish, Hindi, Traditional Chinese and Simplified Chinese.

All CU employees (faculty, staff and student employees) must complete the training course within the first 60 days of employment and every two years thereafter. [Learn more about the course requirement](#) ^[3].

Completing this course helps ensure the security of our university's information and data.

[This link](#) ^[4] takes users directly to the course after passing the portal authentication. Upon entering, users will be prompted to choose your preferred language. The course typically takes 30 minutes to complete.

If you encounter any access issues, please contact system.training@cu.edu ^[5]. If you have any questions about the course content, please email janet.bravo@cu.edu ^[6].
