

## **Say what?! Oh, so that's what all those letters stand for** <sup>[1]</sup>

June 21, 2016 by [UIS Communications](#) <sup>[2]</sup>

It's no secret that IT organizations are up there with the elite of the most difficult groups to understand. With all of the insider terminology and acronyms, it's a wonder anyone can understand us at all!

Put down your technology dictionary – [UIS's Glossary of Terms](#) <sup>[3]</sup> is here. From Bug to VIP, identifying what that term means just got easier. Access the Glossary of Terms from UIS's main page at [www.cu.edu/uis](http://www.cu.edu/uis) <sup>[4]</sup>.

We want to hear from you! Is the glossary helpful? Are there terms you've had to look up in the past that should be included? Email [uiscommunications@cu.edu](mailto:uiscommunications@cu.edu) <sup>[5]</sup> to let us know what you think and to include your missing terms.
