Singularity Decommissioned After Successful Conversion to OnBase [1]

June 28, 2018 by UIS Communications [2]

The University of Colorado recently completed converting its document management solution to OnBase by Hyland from Singularity. After this successful conversion, Singularity was decommissioned in spring 2018. All content was converted as well as all users and uses of the system were replicated into OnBase.

For more information about this project, please visit the project page [3].
