

Welcome New UIS Employees ^[1]

May 28, 2021 by [UIS Communications](#) ^[2]

Join us in welcoming UIS' new hires Ashok Talachutla, Tilak Brahmhatt, Matthew Anderson, Mez Zedawait, Travis Golden, Patrick Cain, and Nonie Roberts.

Name	Position	New, Transfer, Promotion	Start Date	Info
Messa	Senior Salesforce Administrator - ODE	New	3/9/21	Messa joined UIS as the new Senior Salesforce Administrator - ODE. The Senior Salesforce Administrator will provide configuration, technical support and software development for Salesforce enterprise systems. Messa will work collaboratively across functional areas and project teams as a subject matter expert on topics including, but not limited to: solutions architecture (development, definition and implementation), integrations support for Salesforce, application program interfaces (APIs), leads selection and creation of tools, as well as architectural templates and patterns.

Name	Position	New, Transfer, Promotion	Start Date	Info
Ram	Integrations Developer – Advancement	New	3/9/21	<p>Ram joined UIS as a new Integrations Developer. Ram will provide technical support and software development for integrations of university enterprise systems. This position has an emphasis on the integration of UC Innovation’s Ascend tool with other systems, using the MuleSoft integration platform. Ram is tasked with requirements gathering, design and development of integrations using a variety of technologies, and mainly focusing on near-real-time message-based patterns.</p>
Christopher Sean Golden	Service Desk Technician – Tier I	New	3/16/21	<p>Sean joined UIS as a Service Desk technician. In this role, Sean provides first-level customer support to the CU community, including basic computer troubleshooting and repair, network/internet connectivity, email, software applications as well as incident triage. Sean is responsible for ensuring the highest level of service delivery for the departments supported by the UIS Service Desk.</p>

Name	Position	New, Transfer, Promotion	Start Date	Info
John Radcliffe	Salesforce Administrator (TIP)	Transfer from CU Denver/Anschutz	4/6/21	<p>John joined UIS as the new Salesforce Administrator for the Transformation & Innovation Program (TIP). In this role, John will assist in the configuration, technical support and software development of CU's Salesforce enterprise systems. He will work collaboratively across functional areas and project teams on topics including, but not limited to: solutions architecture (development, definition and implementation), integrations support for Salesforce, application program interfaces (APIs), leads selection and creation of tools, and architectural templates and patterns.</p>
Abhinav Havle	Service Desk Student Technician	Transfer from CU Colorado Springs	5/25/21	<p>Abhinav Havle joined UIS as the new Service Desk Student Technician. In this role, Abhinav will provide desktop support to System Administration staff. This includes endpoint support (workstations, printers and office phones), hardware and software installation and troubleshooting, and meeting setup, such as the configuration of audio-visual equipment, projectors and conference phones. Remote support is also provided to System Administration departments in offsite locations via a remote support tool.</p>

Name	Position	New, Transfer, Promotion	Start Date	Info
Arsadur "Arsad" Rahman	Tableau BI Analyst/Developer	New	6/1/21	Arsadur "Arsad" Rahman joined UIS as the new Tableau BI Analyst/Developer. In this customer-centric position, Arsad will focus on administering and maintaining a solid BI architecture tool, providing customer guidance on BI best practices and ongoing end-user support. He will collaborate with and advise report developers, communicate enhancement roll outs, promote end-user adoption, and ensure the continued successes of BI deliverables.
