

Welcome UIS New Hires – July 2019 edition ^[1]

June 26, 2019 by [UIS Communications](#) ^[2]

The UIS team has new team members to welcome. Congratulations and welcome to these new staff members!

Name	Position	New, Transfer, Promotion	Start Date	Info
Brandon Sine	Service Desk Technician	New	4/12/2019	Brandon Sine joined UIS from Employee Services. In his new role as a Service Desk Technician, Brandon will act as the first line of client communication and will provide first level customer support to the employees in the System building. Brandon's responsibilities include computer troubleshooting and repair, network/internet connectivity troubleshooting and incident triage.
Shirley Eaves	Application Administrator	New	4/22/2019	Shirley Eaves is UIS' newest Application Administrator. In her new role, Shirley will work directly with service owners to ensure reliability and sustainability of supported applications. She will also participate in and lead high visibility projects with the goal of improving operational effectiveness and creating design solutions for new business applications. Shirley acts as an escalation point for Service Desk incidents that need further review and troubleshooting as well.

Name	Position	New, Transfer, Promotion	Start Date	Info
Michael Monroe	Service Desk Technician	New	4/30/2019	Michael Monroe has joined UIS as a Service Desk Technician. In his new role, Michael will act as the first line of client communication and will provide first level customer support to the employees in the System building. Some of his responsibilities include computer troubleshooting and repair, network/internet connectivity troubleshooting and incident triage.
Jackie Hess	Assistant Director of HR IT Services	New	5/1/2019	Coming to UIS from Employee Services, Jackie Hess will serve as the Assistant Director of HR IT Services. In her new role, she will be responsible for technical and functional oversight of the Benefits module and all Benefits related components of the HCM System, in addition to oversight of the HCM Systems suite as a whole. She will work closely with Benefits Campus Stakeholder groups, Chief Human Resource Officers, Employee Services Leadership and Staff and other module Application Managers to align institutional business requirements with functional capabilities within the HCM system.
Greg Maynard	Service Desk Technician	New	5/22/2019	Greg Maynard has joined UIS as a Service Desk Technician. In his new role, he will act as the first line of client communication and will provide first level customer support to the employees in the System building. Some of Greg's responsibilities include computer troubleshooting and repair, network/internet connectivity troubleshooting, and incident triage.

Name	Position	New, Transfer, Promotion	Start Date	Info
Sunil Revuri	Senior PeopleSoft Administrator	New	5/29/2019	<p>Sunil Revuri is one of two new Senior PeopleSoft Administrators to join UIS. In his new role, Sunil supports current PeopleSoft applications as well as technical systems and seeks out process improvements to guide future decisions on enterprise level services provided to University of Colorado campuses. On a day to day basis, Sunil will design, build, and maintain PeopleSoft environments, support system rollouts, respond to and troubleshoots escalated operational issues while managing internal and external customer relationships.</p>
