

Welcome UIS New Hires - January 2018 ^[1]

January 22, 2018 by [UIS Communications](#) ^[2]

The UIS team continues to grow. Congratulations to these new and promoted staff members!

Name	Position	New, Transfer, Promotion	Start Date	Info
Sarah Teymouri	Communication Specialist	New	11/29/2017	Sarah is the Communication Specialist for UIS and Employee Services. For UIS, she will work on the UIS service alert blogs, RAVE alerts, UIS news stories, maintaining the business calendar, promotional campaigns and more. She will assist on the communication strategy and communication plans for UIS projects.
Jennifer Silverthorne	Assistant Director of eRA	Promotion	12/1/2017	The Assistant Director of Electronic Research Applications (eRA) is responsible for the implementation of the InfoEd eRA software and supports the use of the eRA system across all CU campuses. Jennifer has been with the eRA team for nine years and brings invaluable knowledge to her new role. She represents the eRA team internally at the Assistant Director layer within UIS as well as externally among campus stakeholders.

Name	Position	New, Transfer, Promotion	Start Date	Info
Lisa Damboise	Assistant Director of Data and Business Intelligence	New	12/6/2017	Lisa is the Assistant Director for the discipline of Data and Business Intelligence, including reporting. Lisa provides technical leadership, data standards and a common approach to the data warehouse, reporting and business intelligence across all UIS services, in partnership with the UIS Enterprise and Data Architects, the Data and Business Intelligence team and the Integrations team.
Eric Brown	Project Manager	New	1/1/2018	Eric joined the UIS Project Management Office as its newest Project Manager. The PMO is a service-focused organization that provides Portfolio & Project Management as a service to UIS. The PMO strives to align their efforts toward industry standards to provide clarity and value to the services they provide. Project Manager work is collaborative with a strong focus on excellent communication within and across groups as well as with the campuses.

Name	Position	New, Transfer, Promotion	Start Date	Info
Tyler Jimeno	Quality Assurance Engineer	New	1/1/2018	As a Quality Assurance and Release Management team member, Tyler supports all UIS applications development teams in their development, design, planning and scripting testing scenarios by establishing and executing test scripts, and by reporting on test results. The QA Engineer supports feature and regression test designs.
