Goals reflect your priorities. If you’re not getting the results you want, these resources can help you to set better, achievable goals.

To be successful in your ambitions, it’s important to understand how to properly establish, evaluate and manage goals. That’s why Employee Services has compiled resources to increase your comprehension of the process from start to finish.

These include:

- A collection of Skillsoft and Lynda.com courses to further your knowledge and integrate goals into your annual performance plan.
- A printable worksheet and poster to help establish goals and check them off as you achieve them.

Use the worksheets below to create a new goal for yourself. Then start achieving.
