

## Don't just leap into retirement, make a plan with Retirement Ready <sup>[1]</sup>

February 8, 2022 by [Employee Services](#) <sup>[2]</sup>

Like any new adventure, retirement can be exciting — and intimidating. Many of us welcome the ability to shift focus toward our loved ones and hobbies or the potential to find new interests and explore wider possibilities. But the process of retiring and ensuring our financial and medical needs will be met can feel opaque and overwhelming.

Employee Services is here to help take the mystery out of the retirement planning process. Each year, we host Retirement Ready — a series of educational sessions designed to help employees nearing retirement age make a solid plan before they take the big leap into retirement.

Anyone within five years of retirement should begin planning as soon as possible, and our Retirement Ready virtual series is a great way to jump right in. This year's Retirement Ready presentations include webinars hosted by TIAA, PERA, Social Security and Medicare.

### **On-Demand Courses**

Employees should prepare for the speaker series by visiting the Retirement Ready website to access retirement guides and checklists and by watching one of our retirement prep courses: **CU's Process for Retiring: 401 (a) Participants** <sup>[3]</sup> or **CU's Process for Retiring: PERA Participants** <sup>[4]</sup>. These courses are available year-round on the [Retirement Ready homepage](#) <sup>[5]</sup>.
