Find your work/life balance with Lynda.com, Skillsoft courses [1]

August 2, 2017 by Employee Services [2]

Juggling work and personal responsibilities can be a stress-inducing challenge. With Lynda.com and Skillsoft, you can learn how to find a balance, optimize your work ethic, while setting limits to enjoy your time off the clock.

Skillsoft [3]: The three-part series, "Optimizing Your Work/Life Balance [4]," provides techniques in hour long sections to analyze your current workplace and home life responsibilities, make deliberate changes to set a balance and relieve unnecessary stress.

Lynda.com [5]: The interactive, 30-minute course, "Balancing Work and Life," provides tips to set aside time for fun and relaxation during the week, along with a Q&A to answer common questions.

Skillsoft and Lynda.com offer a combined online library of more than 5,000 instructional videos, courses and books covering the latest software, creative and business skills. Skillsoft also holds CU's custom compliance courses for required training. As a CU employee, you have unlimited access to Lynda.com and Skillsoft.
