Learn, discover and achieve with the upgraded Skillsoft [1]

May 22, 2017 by Employee Services [2]

In mid-June, Skillsoft will receive updates to the user interface. University of Colorado faculty, staff and students will have access to the same resources with a modernized interface that enhances the user experience.

Learn about Skillsoft's features

Tackle personal and professional goals anytime with online CU Custom courses, Skillsoft and Instructor Led Training (ILT) courses, online books, job aids and videos.

Skillsoft resources available to CU staff, faculty and students	
CU Custom courses	Take university-specific courses that may be requisite for your job
Skillsoft courses	Learn a broad range of topics with courses developed by industry-leading experts.
Instructor Led Training (ILT) courses	Register for Instructor Led Training (ILT) courses directly from Skillsoft's Library.
Skillsoft Books	With over 25,500 titles in topics from business to technical and engineering content, your options are vast.
Job Aids	With Job Aids, you can continue learning even after you finish a course. These documents, such as guidelines, checklists and step-by-step procedures complement content presented in Skillsoft courses.
