If you need to find a past paystub, it's easy in the portal. By using filtered search, you can find and download all past paychecks earned from CU.

Here's how:

- [Log into the portal](#) [3].

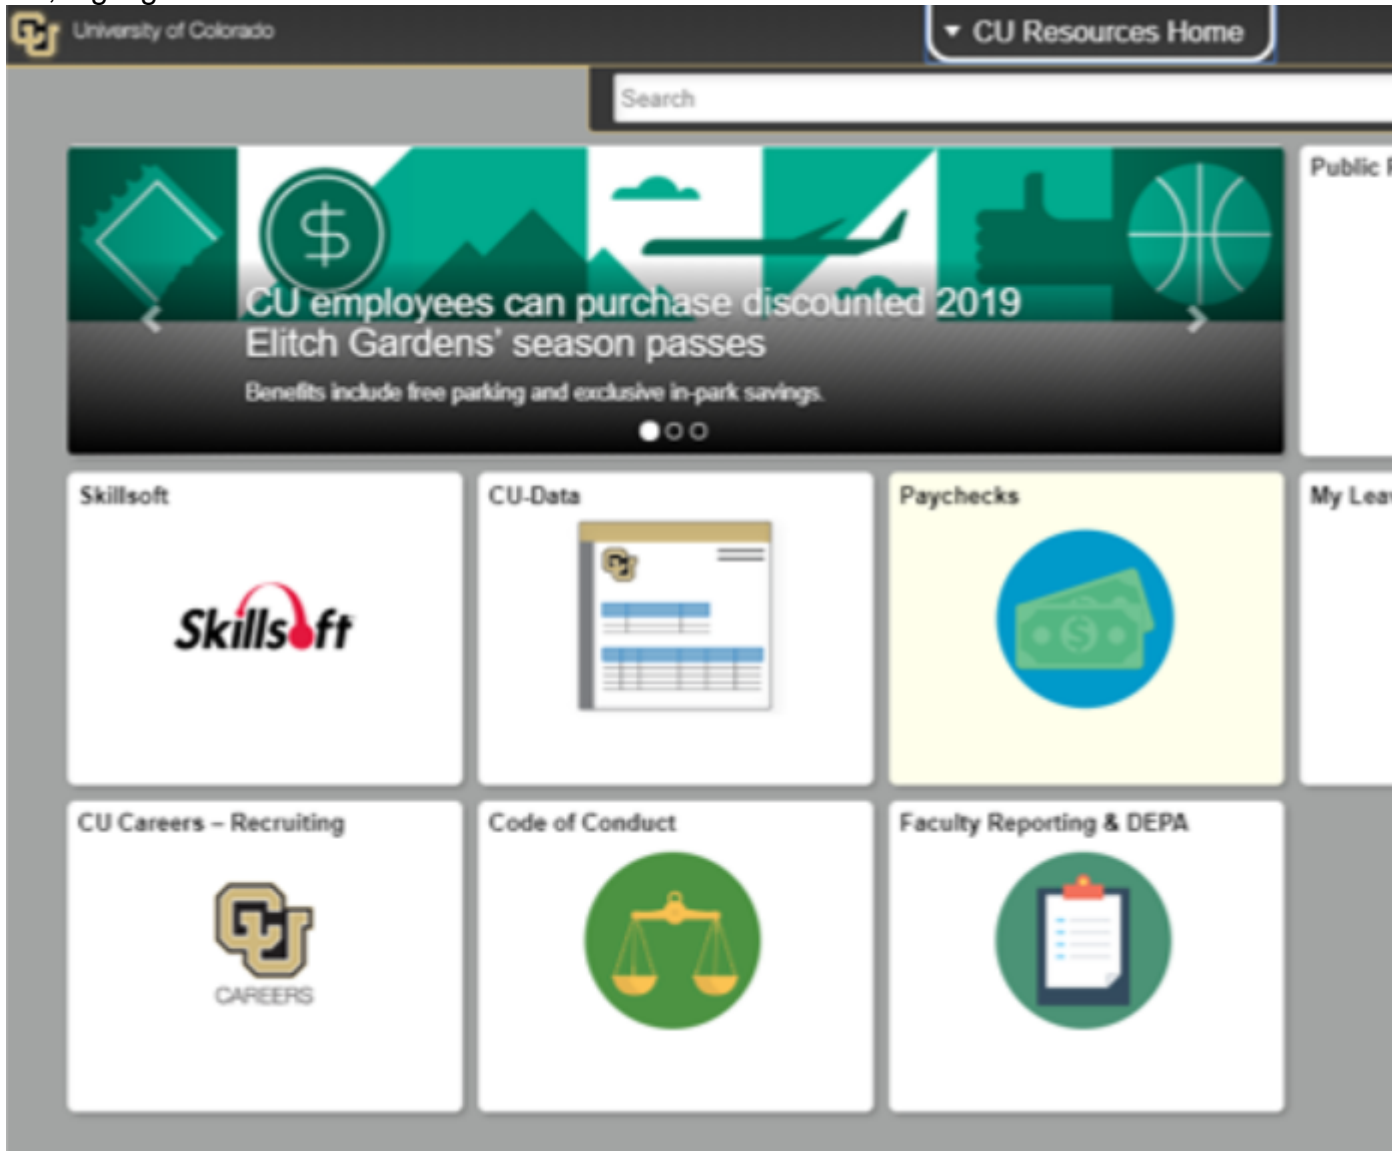

Click to log in to the System Portal.

- Go to the CU Resources homepage, select the **Paychecks**

file, highlighted below.

- You will be taken to a paychecks page that shows the last three months' worth of paystubs. Select the **filter icon**, highlighted below, to determine the timeframe you

would like to see.

It contains two date input fields: 'From' with the date '01/01/2018' and 'To' with the date '01/31/2019'. Each date field has a calendar icon to its right. The background menu is dimmed.

- You will see all your checks from the selected time period. To see and download your paystubs, click anywhere in the highlighted yellow area.
