January 29, 2019 by Employee Services [2]

You've invested time and energy into CU. Now, we want to invest in you.

Your commitment means everything to the University of Colorado, and we want to help you achieve your goals and aspirations. One way we are doing this: providing employee-only access to certain positions.

To access these exclusive employment opportunities, visit the internal CU Careers Job board from the CU Resources area of the employee portal.

To get there:

1. Log into your employee portal [3].
2. Select the **CU Resources** tab. (Skip this step if you are a System Administration employee.)
3. Open the top drop-down menu, and select **Business Tools**.
4. Open **CU Careers - Search Jobs/Apply**.

Please visit CU Careers [4] to find positions available to everyone, learn more about the cities each CU campus is located in, and read what current CU employees love about working in our organization.
