July 25, 2017 by Employee Services [2]

We at Employee Services want you to feel confident and knowledgeable when you choose your employee benefits package. That's why we offer New Employee Benefits Orientations (NEBO) [3]. These sessions provide detailed insight into CU-offered coverage options, so you can make informed decisions about your benefits.

Topics include:

- Medical Plans
- Dental Plans
- Vision Plan
- Life Insurance
- Short-term and long-term disability
- Pre-tax Savings Plans
- Retirement

Benefits professionals will lead each session to provide answers to any of your questions. If you need more personalized help, send an email to benefits@cu.edu [4] or call 303-860-4200, option 3.

Current NEBO sessions are held on the CU Boulder, CU Denver and AMC campuses. CU Denver and AMC NEBOs are a part of campus New Employee Orientations.

Remember, new employees have 31 days from their first day of employment to enroll in benefits. To preview available coverage options, check your eligibility [5] and visit the benefits website [6]. To begin enrolling in benefits, click here [7].
