Request Skillsoft and Lynda.com resources [1]

September 7, 2018 by Employee Services [2]

Share Skillsoft and Lynda.com resources with faculty, staff and students. Audience-specific posters, fliers, PowerPoints and learning guides are now available

Employees Services has created the following resources:

- Posters can be requested via campus email.
- Fliers can be downloaded or requested via campus mail.
- Student-focused Skillsoft PowerPoint presentations and slides are available for download. These direct students to Skillsoft resources that supplement your lesson plans.
- Learning guides can be requested to highlight recommended Skillsoft and Lynda.com courses to introduce or expand upon topics for your employees or students. PLEASE NOTE: Learning guides for students will only use resources from Skillsoft.

Skillsoft is available to all CU faculty, staff and students. It provides required online training, instructor-led training courses, more than 25,500 books, 4,000 courses, job aids and materials to prepare for certification tests.

Lynda.com is available to faculty and staff. It contains thousands of interactive courses and videos, ranging from Microsoft Excel Essentials and HTML design to public speaking and business relations.
