Small changes coming to employee portal [1]

February 10, 2022 by UIS Communications [2]

After Feb. 12, you may notice some subtle differences when you log into the CU Resources area of the employee portal, driven by updates from CU's software vendor PeopleSoft.

The notifications alert is updated. A small, red exclamation mark over the bell in the upper right corner alerts you to waiting notifications. Previously, this was a number that signified how many notifications you had.

Another change: The search box is moving to the top navigation bar. Since the search box is permanently open, the magnifying glass icon is no longer needed.

For reference, the old portal layout

The employee portal still works the same, with just these small changes to the notifications alert and search bar. If you have any questions or concerns, please contact help@cu.edu [3] or call 303-860-HELP (4357).
